CONTRACT # FVPP-08-MV-GM

**ORDER PACKET FOR
AMERIVAN EXTENDED LOWERED FLOOR MINI VANS
ON DODGE GRAND CARAVAN CHASSIS
GETAWAY MARKETING, INC
REPRESENTING ELDORADO NATIONAL**

General Information

The Florida Vehicle Procurement Program (FVPP) issued Proposal #FVPP-08-MV to establish a series of state contracts for the purchase of Extended Lowered Floor Mini Van Type Vehicles. Through this process two contracts were awarded to two different vendors each representing a different vehicle manufacturer.

This Order Packet is for Contract #FVPP-08-MV-GM, which was awarded to Getaway Marketing, Inc., December 2007, to provide Eldorado National Amerivan Extended Lowered Floor Mini Van Type Vehicles on a Chevrolet Uplander chassis with a Gross Vehicle Weight Rating (GVWR) of 5,842 pounds.

This Order Packet contains the necessary instructions and forms for agencies to place an order with Getaway Marketing, Inc. to purchase these vehicles. This information can also be found at the FVPP website – <http://www.cutr.usf.edu/fvpp>. This Order Packet also provides guidance and clarity on the relationships between the seller, the buyer, and Florida DOT's FVPP.

The complete Contract #FVPP-08-MV-GM is accessible from the FVPP website and contains the following sections:

- **Part 1** - General Requirements and Conditions, and Contractual Provisions
(Including copies of all U.S. DOT Federal Transit Administration certifications)
- **Part 2** - Technical Specifications
- **Part 3** - Options
- **Part 4** - Quality Assurance Provisions
- **Part 5** - Warranty Provisions
- **Part 6** - Paint Schemes

For further information on the FVPP and Contract #FVPP-08-MV-GM, please contact either Edward Bart (813-974-6693) or Cindy Wooten (813-974-9771) at the University of South Florida Center for Urban Transportation Research (CUTR).

Vendor Information

To place an order for a vehicle under Contract #FVPP-08-MV-GM, contact either Susan Gould or William Gould at Getaway Marketing, Inc.

- **Address:** Getaway Marketing, Inc.
212 Highway 301 Boulevard East
Bradenton, Florida 34208
- **Telephone #:** (941) 747-5486
(877) 287-7287 *Toll Free*
- **FAX #:** (941) 746-8834
- **Contact Persons:** Susan Gould or William Gould

Procedures for Ordering

The following sections provide guidance to be used by the vendor and the agencies in the ordering, delivery, acceptance and payment for vehicles procured under this contract. All parties are advised to fully review the full contract document available on the FVPP website. Contract #FVPP-08-MV-GM will be the governing document.

Agencies should understand that each order placed with and acknowledged by Getaway Marketing, Inc. constitutes a contract between the purchaser and Getaway Marketing, Inc. only. The contract implies no duties or responsibilities by the University of South Florida Center for Urban Transportation Research or the Florida Department of Transportation. The terms and conditions of this contract are to be administered and enforced by and between the agency and the vendor.

Ordering Instructions

Agencies must utilize the order forms in this Order Packet to place their orders. Agencies are encouraged to contact and work closely with Getaway Marketing, Inc. in finalizing their orders, to fully understand the options available, to select the floor plans and seating selections, the paint schemes, and any special options or conditions that may impact the final order and purchase price. Please submit a separate order form for each vehicle ordered.

Contract #FVPP-08-MV-GM is to provide EIDorado National Amerivan, Extended Lowered Floor Mini Van Type Vehicles 17 feet in length on Chevrolet Uplander chassis with a Gross Vehicle Weight Rating (GVWR) of 5,842 pounds. Among the standard components of this vehicle are:

- Chevrolet Uplander Mini Van Chassis
- 3.9L 240HP V6 SFI Flex-fuel Chevrolet gasoline engine as standard
- 4-speed automatic transmission
- Right-side sliding door with fold-away ramp
- Multiple floor layouts and seating options

- Mobility Prep Package standard
- Choice of wheelchair securement systems
- Several standard paint or reflective material schemes
- Many standards, several options

Most agencies already have an idea on the type and number of seats and wheelchair positions needed to meet their floor plan requirements. A limited variety of floor plans are available. Agencies should work closely with Getaway Marketing, Inc. to develop and finalize their floor layout plans. Based upon this consultation, Getaway Marketing, Inc. will develop a proposed floor plan based on the Agency's needs and fax a copy of the plan to the Agency for verification and approval.

The Order Packet also includes illustrations of the basic vehicle paint schemes and the description of the available options to assist the Agency in completing your orders.

Included in this Order Packet are the following forms and information:

- Order Form that provides:
 - Base vehicle prices
 - Unit seating and wheelchair station prices
 - Paint scheme options and prices
 - Individual option and prices
 - Sample choice forms
- Sample Order Form – providing an example as how to complete the order form
- Description of Options
- Available Paint Schemes

Please submit a separate order form for each vehicle ordered. After determining the floor plan, paint scheme and desired individual options, to complete the order form, place the number of items in the corresponding quantity column. Multiply the dollar figure in the cost column by the number of items in the quantity column to calculate a total cost for that item. Enter that amount in the total cost column. Add the total cost column amounts together to arrive at the grand total for the vehicle. The grand total will be the figure used on the Agency's purchase order.

Unless your vehicle is funded in part by the FTA Section 5310 grant program, the Agency deals directly with Getaway Marketing, Inc.

Once the details of the order are finalized, an Agency Purchase Order payable to Eldorado National-KS, Inc. must accompany all orders placed with Getaway, Inc. for those vehicles funded outside the FTA Section 5310 grant program.

For all vehicles funded through the FTA Section 5310 grant program, a copy of the completed order form and either an Agency purchase order or a check for the Agency's portion payable to Eldorado National-KS, Inc. must to emailed, faxed or mailed to the CUTR Section 5310 Program Coordinator:

Ms. Cindy Wooten
CUTR Section 5310 Program Coordinator
USF-CUTR
4202 E. Fowler Avenue – CUT100
Tampa, Florida 33620
Telephone: (813) 974-9771
Fax: (813) 396-9345

The CUTR Section 5310 Program Coordinator will verify the order accuracy, complete the request for the FDOT share, and forward the request to Tallahassee for the FDOT purchase order. When the FDOT purchase order number is assigned, the CUTR Section 5310 Program Coordinator will place the order with Getaway Marketing, Inc. and notify the Agency of the order status.

Getaway Marketing, Inc. will provide written confirmation to the Agency and/or CUTR of the receipt of the order within seventy-two (72) hours of receiving the order with purchase order. At a minimum, the acknowledgement of the order will contain:

- The Agency's purchase order number
- The date the order was received
- The date the order was placed with the manufacturer
- The production and VIN number when available
- The estimated delivery date (when available)

Delivery

Completed units must be delivered to Agency within ninety (90) days from receipt of chassis or purchase order, whichever occurs last.

In the event of delay in completion of the delivery of vehicles beyond the date specified in the contract, in addition to any granted extensions agreed to in writing by the Agency, the Agency may assess as liquidated damages, twenty five dollars (\$25.00) per calendar day per vehicle.

Each vehicle purchased through the FVPP shall be routed to the FDOT's Springhill Inspection Facility, located in Tallahassee, Florida, for an inspection prior to delivery to Getaway Marketing, Inc.

Getaway Marketing, Inc. should see that all noted write-ups are corrected prior to final delivery to the procuring agency. This inspection by the FVPP is not represented as being "all inclusive" and in no way relieves the dealer from the required Pre-Delivery Inspection (PDI).

Prior to the vehicle(s) being delivered, Getaway Marketing, Inc. must perform a PDI. Upon

completion of a PDI, Getaway Marketing, Inc. will be required to deliver the vehicles to the Purchaser. The dealer shall notify both the purchasing Agency and the FDOT District Office a minimum of 48 hours in advance to arrange a delivery time.

The vehicle shall be delivered with all Contractor/manufacturer's quality control checklists including road test and final inspection (properly completed and signed by an authorized plant representative). Other documents/items required at delivery include:

- Copy of Manufacturer's Certificate of Origin
- Copy of Application for Certificate of Title
- Bill of Sale
- Warranty Papers (forms, policy, procedures)
- Maintenance Schedule
- Operators' manual
- Invoice (To include contract number, P.O. number, VIN#, and agency name)

Final Acceptance

Delivery of the vehicle(s) by Getaway Marketing, Inc. does not constitute acceptance by the Agency. The vehicle will be considered "accepted" upon passing the inspection and issuance of an acceptance letter by the Agency.

The terms of the contract state that an Agency has ten (10) calendar days after receiving the vehicle(s) to perform the Post Delivery Inspection and issue either a "Letter of Acceptance" or a "Letter of Rejection" to Getaway Marketing, Inc. and the Florida DOT District Office contact. The "Letter of Rejection" will state and describe the areas to be found in noncompliance with the bid specifications, incompleteness, or any defective or damaged parts.

A vehicle should be rejected if any items are missing, defective, altered, incorrect, or incomplete. In the event a vehicle(s) is delivered incomplete or contains any defective or damaged parts, the said parts will be removed and replaced by Getaway Marketing, Inc. New parts will be furnished and installed by Getaway Marketing, Inc. at no cost to the Agency. If there is work involved, warranty or otherwise, to repair or place the vehicle(s) in proper complete condition, such repairs will be made by an approved firm in accordance to the warranty provisions of the contract.

Placing the vehicle(s) in revenue service will automatically constitute "acceptance". In such circumstances, a "Letter of Acceptance" should still be sent to Getaway Marketing, Inc.

Acceptance of the vehicles shall not release the Contractor from liability for faulty workmanship or materials.

Payment

For vehicle purchased without funding from the FTA Section 5310 grant program, the Agency should complete all necessary paperwork and submit its request to process the Agency purchase order payment to Eldorado National-KS, Inc. within five (5) days after the delivery and/or acceptance of the vehicle.

The remittance information is: Eldorado National-KS, Inc.
Attn: Sandy Reynolds
P.O. Box 3260
Salina, KS 67402

For all vehicles funded through the FTA Section 5310 grant program, the Agency should approve and process its purchase order to allow a check for the Agency amount to be sent to Eldorado National-KS, Inc. for its share of the vehicle. If, instead of a purchase order, a check was provided at the order request time, forward all invoices to the CUTR Section 5310 Program Coordinator along with the acceptance letter.

Upon receipt of the Agency's portion of the vehicle, Getaway Marketing, Inc. will contact the CUTR Section 5310 Program Coordinator with a request to process the FDOT purchase order payment approval.

The remittance information is: Eldorado National-KS, Inc.
Attn: Sandy Reynolds
P.O. Box 3260
Salina, KS 67402

The total purchase price should be paid in full within sixty (60) days after acceptance of each vehicle. Agencies should note that failure to meet the net 60-day payment terms could result in the assessment of interest and other penalties. Terms are those shown in Price Proposal Form F of the contract document. A 2% monthly service charge will be added to all past due accounts.

SEATING AND FLOORING CHOICES

Seating Colors: (circle one) Blue Beige

Flooring Colors: (circle one) Blue Beige Tan

Paint Scheme: (circle one) #1 #2 #3

Paint Schemes: Agencies will select colors (2) for background and stripes when orders are placed. All paint, or reflective material, scheme pricing shall reflect white base coat. If an agency requires a paint and lettering scheme that is NOT GENERALLY covered by one of those listed above, they may make separate arrangements either with the manufacturer or a local vendor to provide these services.

Upholstery Information-Vinyl Colors Available

Blue Vinyl Combo: Center insert of seat to be blue/gray combo Print CMI # 1002907; outside wrap and back of seat to be Blue Solid CMI #844996.

Beige Vinyl Combo: Center insert of seat to be Beige Print CMI part #1002853; outside wrap and back of seat to be Beige Solid CMI #547468.

EVENT DATA RECORDER CHANNEL SYSTEM SELECTIONS

As detailed in Section 2.45 of the Technical Specifications, an event data recorder (EDR) will be mounted on each vehicle. Tacholink is not yet designed for installation on the Chrysler Dodge Grand Caravan. TRIPS is substituting 247 Security System EDR.

The EDR will provide a continuous log of vehicle activity. Speed history, odometer, excessive RPM, heavy braking, fast acceleration, idling exceptions will automatically recorded by exception. In the event of an accident, all data shall be permanently captured in "tamperproof" flash memory (4MB minimum) for a minimum of (30) seconds prior to the incident and (15) seconds after the incident at a minimum interval of 25 milliseconds.

The EDR will provide an automatic trigger function with different user definable thresholds for moving and stationary conditions. A manual driver alert button will be provided to allow driver “tagging” of either an accident or vehicle fault condition shall be located behind upper bulkhead and must be accessible through a latching door.

All software for user configuration, data logging, and downloading and report generation will be included. All software will be Windows-based. Trip data will be stored in Microsoft Access database. All data will be the property of Florida DOT and will be immediately available to Florida DOT. There will be no additional charges, for hardware and/or software services or annual fees will be incurred by Florida DOT or any operator.

Additional digital input channels will be provided to allow for status monitoring of a maximum of eight (8) vehicle sub-systems. Standard systems that will be monitored shall be: brakes, lights, signals, flashers, driver’s seat belt, wheelchair lift, engine temperature and front door. Each agency may substitute any of the standard systems detailed above with any of the following optional systems: oil pressure, low air pressure, low voltage, or emergency exit door. The limit of the total systems to be monitored is eight (8). With 247 Security System, a video camera can be substituted for a hardwired sensor.

Below, please indicate the eight (8) vehicle sub-systems to be monitored on this vehicle.
If no selection made, the standard systems will be programmed. For each of the optional systems you select, you must not include one of the standard system selections. A limit of eight (8) total systems per bus can be monitored.

OPTIONAL

EQUIPMENT

OPTIONAL EQUIPMENT

CONTRACT # FVPP-08-MV-GM

3.1.0 SEAT BELT EXTENSIONS

- 3.1.1 Extends normal seat belt to fit larger persons. Two seat belt extensions are offered as standard. Additional seat belt extensions may be purchased.

3.2.0 WHEELCHAIR OR MOBILITY AID RETRACTOR SYSTEMS

- 3.2.1 Optional manufacturers for retractable wheelchair securement belts are Q'Straint QRTMAX (two sets standard).
- 3.2.2 Dodge Caravan offers ADA compliant power ramp with dual powered sliding side doors.

3.3.0 DRIVER PROTECTION PARTITION

- 3.3.1 To prevent passenger physical contact from the rear of the driver, install a 3/8" Lexan Plex Shield wall, 3" below the ceiling to 30" above the floor; and a modesty panel from below the Lexan Plex shield frame to 3" above the floor, all the width of the drivers seat, supported by stainless-steel tubing, similar in construction to taxi cab driver partitions.

3.4.0 MIDDLE ROW FOLD-DOWN SEAT

- 3.4.1 Middle row fold-down two-passenger capacity seat.
- 3.4.2 Middle row fold-down one passenger capacity seat.

3.5.0 POWER SLIDING CURB-SIDE DOORS

- 3.5.1 The standard manual sliding curb-side doors will be upgraded to remote control electrical operation to enable the driver to open and close the door without leaving the driver seat.

3.6.0 SPARE TIRE

- 3.6.1 An optional full sized spare tire assembly, without a cover and not securely stored.

3.7.0 EXTENDED WARRANTY

- 3.7.1 Extended warranty to 5 years 100,000 miles covers chassis and conversion.

EXHIBIT D

PAINT SCHEMES

EXTERIOR VEHICLE IDENTIFICATION

This contract provides three different exterior vehicle stripping schemes. Reflective material is also available to improve safety for the vehicle during night-time.

Individual corporate logos, agency name in specific size block lettering, or other vehicle identification requested by the Purchaser will be negotiated separately between the Purchaser and the Dealer outside of the FVPP contract, but noted and included in the final Purchase Order specifications and pricing.

Your Dealer will apply the FDOT number, if required, to each vehicle.
